Sir,

With further reference to your application to acquire that portion of the E.½ of Section 35, Township [illegible], Range 1, West of the Fifth Meridian, shown on the plan of survey as covered by water, I beg to inform you that, as according to a recent report of the Homestead Inspector, the formerly submerged portion of the N.E.¼ of the said Section has become wholly and permanently dry, it has been decided to permit you to purchase the same, containing 41.8 acres, at the Inspector's valuation of $6.00 an acre, upon your first filing here an abstract of title showing you to be the registered owner of the balance of the said quarter section.

I may add that the terms of payment will be either the whole of the purchase money to be paid upon receipt of the required abstract of title or one-fourth of the amount within the specified time and the balance in three, equal, annual instalments with interest thereon at the rate of 5% per annum.

With reference to your desire to acquire the unpatented portion of the S.E.¼, I may say that, as this land has not become permanently dry, your application cannot be granted. In this connection I would point out that, under the provisions of the Irrigation Act, no disposition may be made of land which is wholly or partially covered by water.

Copy for A. D. L., Red Deer. Ref. 14343.

Sir,

I beg to acknowledge the receipt of your letter of the 5th instant, enclosing an agreement of sale under which you purchased that portion of the E.½ of Section 35, Township 38, Range 1, West of the Fifth Meridian, shown on the plan of survey as not covered by water, and to inform you that you may now be permitted to purchase that portion of the N.E.¼ of the said Section 35, shown on the plan of survey as covered by water and containing 41.6 acres, at the rate of $5.00 an acre.

Either the whole of the purchase money should be paid to the Agent of Dominion Lands at Red Deer [illegible] when a copy of this letter is being sent for his information, on or before the 15th June next, or one-fourth of the amount within that time limit and the balance in three, equal, annual instalments with interest at 5 per annum.

I may add that patent for this land will not be issued in your favour until you are in a position to file here evidence in the form of an abstract of title showing you to be the registered owner of the balance of the said N.E.¼.

R. O. Cote

Re dried up areas in
N.E. & S.E. 35-38-1-W.5th M.

Madam,-

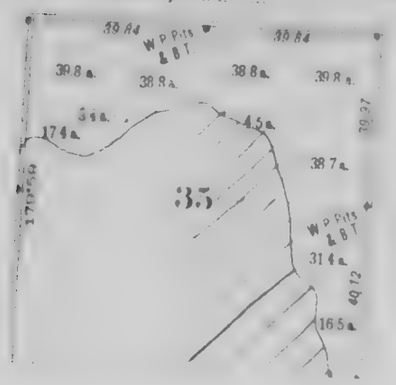
I beg to acknowledge the receipt of your letter of the 12th ultimo, and to say that the copy of the Will of the late Napoleon Rousseau as well as an Abstract of Title showing your ownership to the patented portions of the East half of the above mentioned section, were duly received.

As your late husband has paid in full for the 40.50 acres of accrued land in the north east quarter a patent will now be issued to you for such dried up area. I would draw your attention to the fact that your late husband on account of erroneous information as to the area, overpaid the amount due on this parcel of land by $6.00, and if you so wish, such excess payment may be applied to the sale to you of the accrued area of 16 acres in the south east quarter of the section.

The Agent of Dominion Lands has transmitted the valuation placed on this latter parcel by the Homestead Inspector, namely, $20.00 per acre. The whole of the purchase price in connection with this latter parcel should be transmitted to the Agent of Dominion Lands at Calgary on or before the 2nd January next. The total amount to be paid, if the $6.00 overpayment on the north east quarter is to be applied against the south east quarter, is $314.00.

If you prefer, one-quarter of this amount may be paid within the above mentioned time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. Overdue instalments are subject to interest at the rate of 7% per annum.

Your obedient servant,



Mrs. Napoleon Rousseau,
Sylvan Lake,

MEMORANDUM.

Ottawa, 31st December, 1913.

W. C. Nicholson, Esq.,
Acting Controller.

Re Irrigation Block in W 1/2 Sec. 35, Tp. 38, Rge. 1, W. 5th Mer.

In further reference to the latter part of Mr. Mercer's memorandum of the 14th October last, marked, addressed to Mr. Tait, in accordance with Mr. Tait's instructions I referred that matter to the Surveyor General to ascertain if the lake in question, as shown on the plan, was navigable. In reply he intimated to me that the lake was navigable to a certain extent, but that matter would be considered; the Surveyor General stated that unless it was desired to have the matter fully tried he would not recommend that it be done.

The available land in the latter section comprises [illegible] acres, as shown on the sketch herewith, the portion coloured in PINK, comprising 80 acres, having been reserved to the Canadian Pacific Railway Company and the portion hatched in BLACK, comprising 1.70 acres, [illegible] under grant.

Mr. Ransom's application to purchase this land [illegible] agreement of sale entered into between Wells Hollingsworth and himself for the patented portion of the quarter section, and he now applies for.

Under the circumstances, I would recommend that Mr. Ransom be allowed to purchase the above described parcel of land, subject to the usual conditions, and that a reservation be placed thereon by a competent surveyor for the right of way of the [illegible] Railway Company.

The [illegible] would be pleased to be informed in the matter when decision as required.

I concur

In the Matter of the S W of Section 34
Township 14 Range 10 of the 4th Meridian
Homestead
Pre-emption

I, Lawrence Cochrane
H. Homesteader of Edmonton
in the Province of Alberta

do solemnly declare:—

That I made entry for the above mentioned lands at the Dominion Lands Office at Edmonton on the 26th day of Feby 1906, and I now ask to have said entry cancelled, and be permitted to take up another homestead for the following reasons, namely:—

I cannot live on the property owing to the fact that I have been obliged to work away from it in order to support my family and I have not the means to live on it and improve it as I would like to do. I have therefore decided to sell my property and am now in negotiation with the Canada Northern Railway Co. for the sale of it.

(Here state reasons.) (1)

And I make this solemn declaration conscientiously believing the same to be true, and knowing that it is of the same force and effect as if made under oath, and by virtue of the Canada Evidence Act, 1893.
